## Announcing the new, updated CIAO database

The renowned international affairs website has now undergone a complete overhaul to enhance the user experience.

The new CIAO database and web site feature a redesigned user interface that standardizes the access and presentation of content, more video assets, a live Twitter feed, and improved search functionality.

## New on CIAO

- Faceted browsing and refinement of search results based on normalized metadata
- OpenURL and Shibboleth capabilities
- Live Twitter feed
- More video content and CIAO YouTube channel
- Full text e-books
- New partnerships with policy institutes and publishers

## What the think tanks are thinking

CIAO is your one stop shop for journal and think tank content within the field of international relations and features the following:

- Working papers
- Policy Briefs
- Reports
- Journal articles
- E-books
- Videos

CIAO also includes original papers written by leading experts in the field of IR and course packs of background readings for political science and IR classes.

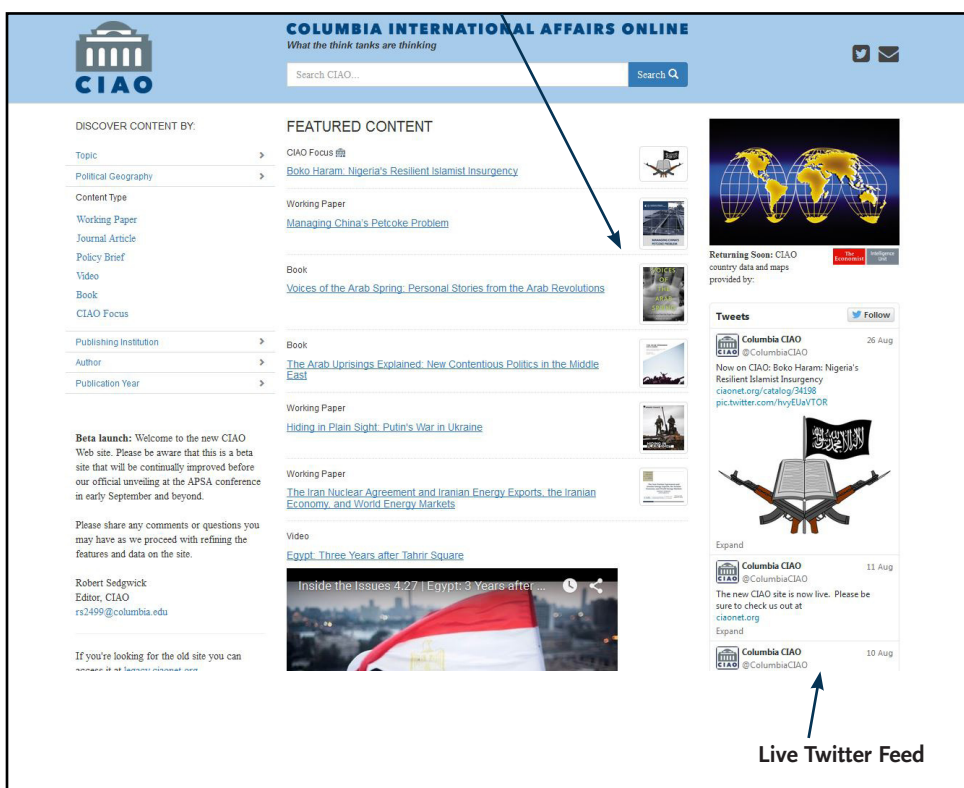

CIAO subscribers include domestic and international institutions of higher education, government agencies, NGOs and policy institutes.

More than 300 policy institutes and publishers currently contribute to CIAO. Our recent partnerships include:

- The Soufan Group
- Perceptions (Center for Strategic Research)
- Center for Migration Studies
- Hudson Institute
- Fletcher Security Review
- International Foundation for Electoral Systems
- Institute for the Study of War
- Third Way
- Atlantic Council
- Foreign Policy Research Institute
- United States Institute of Peace
- Transparency International

Full-text e-books

Special Features:

The CIAO Atlas features detailed maps and country data for 201 countries provided by the **Economist Intelligence Unit**. It also includes:

- Political and economic background and analysis
- A five year summary and outlook assessing current and future economic growth, currency appreciation, and evolving policies

CIAO provides:

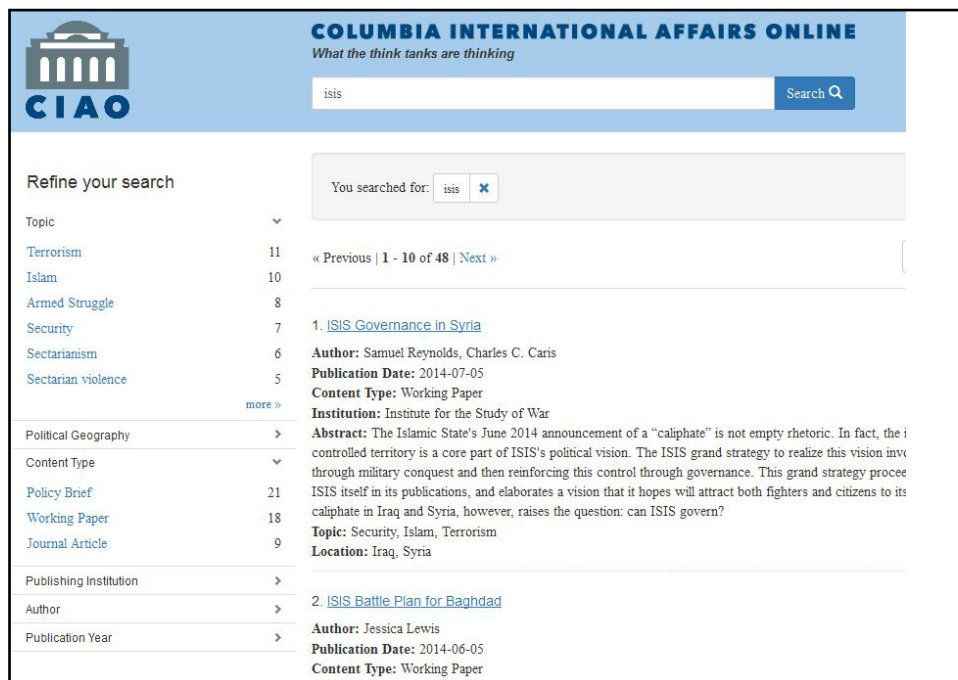

- A monthly CIAO focus—an outstanding tool for classroom discussions on current events
- The world's largest full-text online resource for political science, area studies, diplomatic history, international law and business, policy formation, and country analysis
- Over 500,000 pages of full-text materials comprised of working papers, policy briefs, original case studies, journal articles, and e-books
- A comprehensive source for lecture preparation and course assignments

Praise for CIAO:

Named one of the top 300 websites by the International Political Science Association.

"So rich in content and so well suited to the needs of serious researchers that we recommend it without hesitation." — *Library Journal*

"Highly recommended." — *Choice*
