Group Study Rooms Capacity Limits Eliminated.

- Masks must be worn while in the Group Study Room.
- There is at least 2.25 square meters of space for each person in the room.
- Room 2A(207), 2B(208) and 3B(332) are not available yet due to the limited space available.

It's convenient to reserve a room in advance via our online booking system.

#Keep it up, Taiwan
Thank you to all healthcare workers,
quarantine inspectors, frontline workers,
and you.

We highly appreciate your cooperation!
